

It's Telethon Time!

Kaleidoscope...

NBN is supporting Hunter Health's new children's health network, *Kaleidoscope*, with an extensive advertising campaign.

Kaleidoscope is the colourful new identity for all children's health services in the Hunter region, extending from The John Hunter Children's Hospital to children's wards in other facilities, community-based, mental and dental health services.

You can also find out more by going to :

Kaleidoscope is proud to be a major beneficiary of NBN Telethon 2002, with donated funds to be used to build a centre for high-risk mothers and young children.

Kids helping kids...

The students at our own Hunter Orthopaedic School are a generous lot.

Often on the receiving end of community fundraisers, the kids and staff have turned the table deciding to host an event in support of NBN Telethon.

The inaugural **Sunshine Ball** will be hosted by one of Newcastle's favourite sons, Mikey Robbins, at Newcastle City Hall on Friday, November 1. The ball is being staged with the support of the Williamtown RAAF crew and is sure to be a fantastic night. Tickets are \$88 each and are available from the school on 4985 3122 or from Melissa Chappell on 4921 3727.
