

# Jigsaw

An open forum & support network for parents & carers of children with additional needs

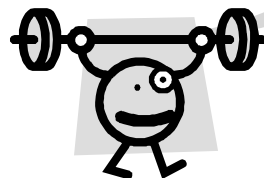

Do you care for a child with additional needs?

Do you find that you don't quite fit into the existing support groups?

Do you want to share your experiences and gain knowledge and strength from other parents?

Do you have a passion for exploring the best for your child?

Please join us every second **Monday** from **7-9pm** at the **University of Newcastle Special Education Centre**
